connection with the procurement scheme undertaken by it. Of this staff, the Senior Inspector and the three Junior Inspectors were withdrawn on the expiry of their respective terms of office as the stores had stated that there was no need for their continuance and that it would find suitable substitutes as and when necessary. The term of office of the Co-operative Sub Registrar expires on 30--9--1945 afternoon. The stores has now passed a resolution requesting the retention of the Co-operative Sub Registrar for a further period of one year from 1--10--1945. The procurement war undertaken by the stores for the current year has yet to be completed and the stores has been appointed by the Collector as his agent for procurement operations for the next year (1945--46) also. The stores, therefore, requires the services of the Co-operative Sub Registrar to supervise the operations under the scheme.

I request that Government may be pleased to accord sanction to the retention of the Co-operative Sub Registrar sanctioned in the G.O. cited for a further period of one year from 1--10--1945 subject to the conditions laid down in para 2 of the G.O. 128, Development, Dated 11--1--1945
